Sup de Pub

*"Founded 3 years ago, our school, specialised in advertising and marketing communications, has never ceased to stay in tune with market trends. All our programs reflect the ongoing developments that affect the way companies and their brands communicate. Working in close collaboration with professionals and alumni we have been well-positioned to anticipate the radical changes to the communication world brought about by the rapid and massive arrival of digital media over the last ten years. The specialised digital courses today account for already 40% of all the programs offered at Sup de Pub."*⁴

Sup de Pub offers different English-taught programmes for incoming exchange students, including courses worth 30 ECTS. Programmes offered 2024 were:

- Brand Strategy and Digital
- Visual Design
- Brand Strategies and Strategic Planning
- Digital Strategy and Social Media
- Communication and Media Strategy in the Luxury Industry

Students applying to study at Sup de Pub are not guaranteed their first-choice programme, as it depends on the number of places available. However, students have historically been allowed to enrol in their first-choice programme.

Although it says courses are taught at master's level, these are available for exchange students from Borås. Sup de Pub has a rather practical approach in teaching, where most of the teachers come directly from the industry. Student testimonials have expressed the semester to be perceived as intense and students should be aware school days at can be rather long.

One academic semester of full-time studies corresponds to 30 ECTS.

Number of places:

- 6 students per academic year, of which 3 places are reserved for SGKTM

University of Bologna – Campus Rimini

“The Rimini Campus is a people-focused meeting place for cultures and ideas from all over the world. Quality of life and sustainable development, tourism and fashion, personal services, business and the territory are the dimensions that characterise all its activities.”⁷

University of Bologna is one of the world’s oldest universities and consist of five different campuses of which this agreement is for Campus Rimini and the subject **Fashion Studies**. This is a new exchange agreement and promoted to SGTKM for the first time autumn 2025.

Since the bachelor’s programme in Fashion Cultures and Practices is taught in Italian, exchange students from Borås will enrol courses part of the master’s programme Fashion Studies instead. Since it is a new exchange agreement, it is difficult to say if studying at master’s level will be perceived as difficult and a factor for interested students to consider.

One academic semester of full-time studies corresponds to 30 ECTS.

Number of places:

- 4 students per academic year, of which 2 places are reserved for SGTKM

Academic Calendar 2024/2025:

The Netherlands

Amsterdam Fashion Institute

”Amsterdam University of Applied Sciences (AUAS) students are immersed in Amsterdam during their studies. This bustling cosmopolitan city, and capital of the Netherlands, is home to people from 181 nations and English is widely spoken. Amsterdam is an international business hub, renowned as a hotbed of education and research in all conceivable areas: culture and society, trade, logistics, aviation, shipping, information technology, sports, healthcare and more.

AMFI – Amsterdam Fashion Institute students explore the fashion world through the prism of three key dimensions: design, management and branding. AMFI is located along the Amstel river on the Mauritskade. The historic building once housed the Amstel Brewery and maintains many of its monumental features. The Amsterdam University of Applied Sciences (AUAS) is within bicycling distance of the historic city center, as well as popular places such as De Pijp, the Vondelpark and the Westergasfabriek.”⁸

Exchange students from Borås have historically enrolled the exchange programme **Fashion and the Circular Economy**, but the programmes at AMFI change frequently.

One academic semester of full-time studies corresponds to 30 ECTS.

Avans University of Applied Sciences

”Avans University of Applied Sciences was formed in 2004 as the result of a merger between Hogeschool Brabant and Hogeschool ’s-Hertogenbosch. These educational institutions were already working together closely at the time, operating under one Executive Board.

The basic principle of Avans University of Applied Sciences is rooted in and springs from its social environment. To maintain and expand its value within its environment, Avans must continue to meet the changing demands of the labour market and the world of work.”⁹

Avans has two campuses, Breda and 's-Hertogenbosch. It is no significant difference between these, although the course offer may vary. Exchange students from Borås should explore the course offer within **Economics and Business**.

One academic semester of full-time studies corresponds to 30 ECTS.

Courses previous students have studied:

- Business, Leadership and Sustainability (30 ECTS)

Number of places:

- 14 students per academic year, of which 2 places are reserved for SGKTM

University of Twente

“The University of Twente is a multicultural community of talented, ambitious people that offers students, scientists and educators from around the world the best possible conditions. Like our innovative and vibrant campus with world-class facilities for crossing boundaries and solving complex problems.

The University of Twente stands out among universities by offering unique and highly successful educational programmes. It does so by leading the way in responding to the demands of society and creating relevant combinations between disciplines. The ever-evolving world of technology showers us with opportunities but also gives rise to new questions and dilemmas. By combining research areas, the University of Twente provides an effective response to these challenges and succeeds in answering the questions posed by society: High Tech Human Touch.”¹⁰

For more information about the city Enschede, please see the section of Saxion.

Exchange students from Borås in Textile Management (SGKTM) are recommended to explore the course offer in **BMS – Business Administration**, however, other courses might be of relevance as well.

Twente has a structure like the University of Borås where most course packages are divided into two study periods (A or B). One academic semester of full-time studies corresponds to 30 ECTS.

Exchange students from Borås are exempt from providing an English language test in their application to the University of Twente and may instead use the designated exemption form, unless students have a non-EU nationality.

Number of places:

- 6 students per academic year, of which 1 place is reserved for SGKTM

Both University of Twente and Saxion University of Applied Sciences are located in the city *Enschede*.

“Enschede is a medium-sized town near the German border, situated in the east of the Netherlands in the province of Overijssel. Enschede has approximately 160,000 inhabitants. It is the biggest city in a region called Twente. Though there is little left of the textile industry now, some of the factories and the houses of wealthy textile barons can still be found throughout the city as monuments.

Germany is within a stone’s throw from the city: Enschede is about 60kms from Munster in Germany, 150kms from Amsterdam, and 195 kms from Rotterdam. Every half hour a train leaves for Utrecht, Amsterdam and Rotterdam.”¹²
